COLLECTION

Ogaan Laminates introduces the **Exclusive Z Series Luxury 1 mm** collection. Ogaan Z Series textures look like actual veneer since most of the textures are made from Zero finish plates. Zero finish technology is the latest development in laminates. That is the world's only and most precise technology to give laminates a natural, authentic, and genuine touch and look like wood veneer. This Z Series holds a great advantage over conventional as it is pocket-friendly, highly decorative, easy maintenance, great choice of designs, and highly resistant to microbial growth. *Ogaan Laminates brings you the finest and most adored Z Series collection from the heart of Europe.*
